Sunday 4 October 4:30pm BCC Cinemas Earville

"Fresh from its selection in Cannes Un Certain Regard, ADAM is a moving and heart-warming story of food, friendship and female empowerment, set against the backdrop of a modern-day Casablanca medina. "Poignant and involving", Adam is "a beautiful story of two women who transform each other's lives" (Hollywood Reporter).

The debut feature film from director Maryam Touzani, Adam explores the unlikely friendship between two very different women.

(PG) - UK INDIA - Dir. Oliver McGarvey - 81mins
Sunday 11 October 4:30pm BCC Cinemas Earville

One English couple. One battered 1936 Rolls Royce. 5000 miles through the heart of India. Rupert and Jan Grey are a free-spirited and eccentric upper-class English couple in their sixties, married for 35 years. With its mix of road-movie, biopic, travelogue and madcap adventure, ROMANTIC ROAD is at once a rare glimpse into a uniquely inspired expedition that redefines later-life, a study of a love story 35 years in the making and a reminder to never stop embracing the possibilities of life.

(M) - FRANCE - Dir. Regis Roinsard - 105mins
Sunday 18 October 4:30pm BCC Cinemas Earville

"A tasty, twisty suspense movie that keeps you guessing through its taut running time. So well directed and photographed, the extravagant plot is engagingly packaged and there's a flawless ensemble of actors on display. It's the sort of film that admirers will want to see more than once in order to work out just how cleverly they were fooled the first time around. I'll certainly be back a second time!"

David Stratton, THE AUSTRALIAN

"Clever and very enjoyable – it's delicious this film. Funny and so intricately and ingeniously plotted... Regis Roinsard gleefully leads us down the garden path. All the performances are really beautifully attuned to the material."
